Her ancestral roots trace 75 generations down a long line of Royal High Chiefess Priestesses. She is a spiritual intuitive healer, a wisdom keeper, visionary artist, keeper of the Lemurian truths, a seer, medium, metaphysician, to name some of the blessings she carries from her grand lineage. She works with people worldwide helping them to awaken to their divinity, shine their light and heal their lives... to become more empowered and enlightened.

The Readings: Kahuna Kalei is a Spiritual Healer ~ she intuitively recognises problems as challenges to overcome & she looks at their spiritual & emotional core. Solving them from this perspective yields long lasting results. Her specialty is clearing the blocks & her success in doing this comes largely from the 'Team' that she sees standing behind you.
