

JOURNEYS

OF THE SPIRIT

Welcome to Kerala

“Journeys of the Spirit has been organising small group trips to Kerala for over 15 years so when we arrived at our retreat we were greeted warmly and promptly, then taken to our individual cottages to settle in to paradise. The Ayurvedic experience is one I would highly recommend to anyone interested in an exotic holiday, which will revive and restore your mind, body and soul”

- Anne D.

“On the brink of mid-life crisis, and needing to step off the hamster wheel of life for a moment, I searched for a holiday that would not only tick the box of an exotic location, but one that would also revive my mind, body and soul in the process. Boy, did I find what I was looking for in Kerala on the southwest coast of India.”

- Wilamina F.

The Ayurveda Kerala Story

Ayurveda is a 5000 year old form of traditional healing that incorporates meditation and yoga practices as important elements within this natural healing modality. Its foundation is the holistic rebalancing of your whole being - your physical self, your mental self, your spiritual, emotional and physiological self - through various modalities such as treatments, food that is medicine for your body, yoga, meditation, pranayama (yogic breathing) and much more.

It is through its authentic delivery that we receive the magical healing elements that will allow us to release what no longer supports us and to bring into our life whatever we desire. Whether this be good health, emotional stability, joy, light heartedness, happiness, peace or self love.

Julie Baker, founder of Journeys of the Spirit, discovered a very special Ayurvedic retreat in Kerala, India in 2002. After 16 months of extensive research and a visit to several other retreats in Kerala, this one retreat not only ticked all the boxes, but it has become the foundational retreat for Journeys of the Spirit.

Over the years, the owners of this magnificent property have closely worked and collaborated with Journeys of the Spirit to create an even deeper, authentic representation of Ayurveda for our journeyers. because of this collaboration and understanding that we are wanting the best quality version of Ayurveda so you can enjoy its maximum benefits, we have exclusive inclusions and packages available.
