Day 3 – Friday October 28th

Stockholm (B/L)

Following a leisurely breakfast, we walk to the pier (easy walking distance from our hotel) to experiencing Stockholm from a different perspective – from a boat! Our Royal Canal experience will give us a duck's eye view of these unique thoroughfares throughout this city on the water.

After our water journey, we meet our private guide and proceed by public transport (experiencing Stockholm like a local!) to the Skansen Museum - the world's first open-air museum founded in 1891. Skansen exhibits the country's life before the industrial era. During our tour we will take a fascinating journey through the five centuries of Swedish history, see the large collection of traditional rural houses and visit the museum's zoo that represent over 75 different species of both domestic and wild Scandinavian animals, including brown bears, seals, lynx and wolverines.

Later we will walk to the nearby Vasa Museum rated as the most visited museum in the whole of Scandinavia. This museum is famous for being home to the only intact 17th-century ship in the world - the Vasa. It sank on its maiden voyage in 1628 and was salvaged 333 years later. It managed to preserve more than 95 % of its body in its original state.

After we finish with this tour, we are having lunch in the Vasa Museum next to the ship.

Late afternoon & evening is free to shop, explore, eat, drink and be merry !

Day 4 – Saturday October 29th Lulea, Storforsen - Sweden (B/D)

After breakfast, we meet our private driver in the hotel lobby and he takes us to the airport for a short flight to **Lulea** in the north of Sweden. We are met at the other end and transferred to our hotel in Lulea.

We will drive to Storforsen - northern Europe's largest rapid, about an hour from Lulea. The amount of water breaking down is so immense that it never freezes over even in the middle of winter. The whole area around the rapids is a nature reserve, and even if the river is the main attraction, the surrounding landscape is equally fascinating. The river used to run slightly west of its current flow and the old riverbed has turned into an area of dramatic cliffs and streams. At Storforsen we can also walk on a 2 km nature trail on wooden walkways, which will take us upstream and very close to the rapids.

Our private guide will prepare a traditional meal over an open fire at a scenic spot. BBQ Swedish style ! Delicacies from the region and Swedish fika will complete our gourmet food experience.

This will be a completely relaxing day to soak in the atmosphere of this powerful place.

Today we have a real treat in store for you! We will share our day with Lars Eriksson, whose family have lived in remote Flakaberg as Sami's for seven generations. We will meet his reindeers and Lars will tell us stories about his unique lifestyle. This will give us some unique insights into the Sami culture.

In Lars cabin we will share a lunch made by his lovely wife Anette. After lunch we will get appropriately dressed and head off into the forest on skis or snowshoes. It is about 6 km to Gorkim Lake where Lars will serve us coffee by the fire in his Sami cot. On our way back we will stop at the Arctic Circle Monument to appreciate how far north we are.

The 7 km trail weaves through this nature sanctuary and there are many scenic points to stop and ponder and breathe in the beautiful energy of this special area. At our halfway point when we reach the top of the Kätkävaara fell, there is a log hut where we can rest and enjoy the spectacular views.
