Bhutan

26 April – 9 May 2018

Imagine a kingdom where happiness is paramount, where culture and tradition remain intact and where Buddhism has predominated since the 7th century. This country is Bhutan, the 'Land of the Thunder Dragon'. Step inside a mystical kingdom floating high amongst the clouds in the Himalayas, a place often romantically referred to as the Last Shangri-la.

This journey takes you on a magical journey across the western provinces and gently weaves through the central Bumthang region of the Drukpa people to follow the trail of Guru Rinpoche, or Padmasambhava, the revered saint who brought Buddhism to Bhutan.

As we head east we will journey alongside the rushing rivers that snake through the valleys of Paro, Thimphu and Wangdue. There is plenty of time to rest and explore in the local villages and mingle with the people that live there. Discover fertile rice paddies, verdant valleys, lush forests, magnificent mountains and pristine rivers that comprise this magical land.

We will venture to central Bhutan region with an opportunity to explore the remote and ancient monasteries and temples. We will have the chance to meet and chat to monks and the caretakers of these precious sites and make offerings to local deities.

On returning to the Western provinces we will also explore the Punakha Dzong, the winter residence of the Je Khempo, who is the head of the Bhutanese monk body.

Before leaving Bhutan we take a day hike to the famous Tiger's Nest Monastery, perched high on a cliff above Paro Valley, to hang prayer flags, to seek blessings and to be present to one of the most extraordinary energetic sites on our planet.

Day 1 Thursday 26 April Arrival in Bhutan

Fly into Paro and experience breathtaking views of the Himalayan peaks as you descend into this remote land. On arrival in Paro we will be met by Nidup our local Bhutanese guide and one of the most experienced in the country. After a cup of tea to take in the sights and sounds of Paro, we will journey to the 8th Century Kichu Lhakang one of the oldest and most beautiful temples in Bhutan. It is very special Lhakang to visit first on our journey. You can circumambulate the building and spin the numerous prayer wheels around the building. Taktsang Monastery is the most famous monastery in Bhutan and is perched on the side of a cliff 900m above the Paro Valley. In Buddhism it is said that Guru Rinpoche flew here on the back of a tigress, and meditated at this place and so the monastery is called “Tiger's Nest” (Taktsang). It is a sacred place of pilgrimage which Bhutanese people try to visit at least once in their lifetime. Rise early like the monks to visit this spectacular monastery before anyone else arrives.
